

## Party Programs

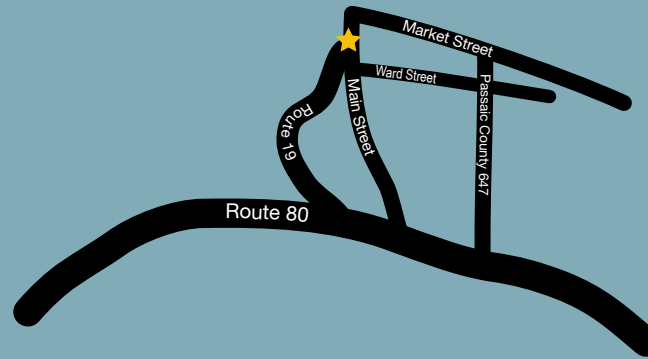

The Fabian 8 Cinema is a favorite local destination for children's birthday parties, anniversary celebrations, private receptions in conjunction with favorite movie releases and other special events.

For groups of 15 or more, special packages are available for children's birthdays that include use of the cinema's event room and discounted pricing on movie tickets and concessions. Parties are announced with the honoree's name on the theatre marquee.

Are you thinking about an unusual way to mark an anniversary or other milestone with family and friends? A surprise screening of wedding videos and other cherished memories on the big screen followed by a reception in the cinema's event room can create an affair to remember!

From a simple birthday cake to an elaborate catered reception, the **Fabian 8** Cinema staff can assist in planning your special event, refer you to one of our recommended party experts or simply support your do-it-yourself preparations.

Located in the heart of downtown Paterson with immediate access from **Route 19** and **I-80 exit 57B**.

Two blocks from New Jersey Transit's Main Line Paterson Station.

**Center City Mall – Upper Level**  
301 Main Street, Paterson, NJ 07505

### The Convenience of Center City Mall

Center City Mall is at the heart of the new Paterson featuring Fashion, Food and Fun. With convenient indoor parking for 1,000 + vehicles, the weather won't ever stop you from visiting. The theater is located on the mall's upper level and is fully handicapped accessible.

# Introducing the *Fabian 8* cinema Experience!

## The Movie Experience

The **Fabian 8 Cinema** is the next generation of movie theatre that brings the experience of watching movies to a whole new level.

With luxurious high backed rocker seats and extra-wide stadium seating, every seat in the house offers extraordinary comfort and unobstructed views.

When you enjoy a movie at the **Fabian**, you'll be immersed in the story on screen through superior 35mm film projection as well as hi-tech digital and 3D technology. The moving image is as detailed and clear as can be. All eight auditoriums have wall-to-wall screens that will make you feel like you are part of the movie.

The sound systems deployed in our eight auditoriums present crystal clear dialogue, subtle background effects and the sonic impact of special effects you'll hear and feel exactly the way the filmmaker intended without compromise. Because each auditorium is acoustically isolated, one thing you won't hear is the movie next door.

## The Meeting Experience

The **Fabian 8 Cinema** doesn't just deliver an excellent movie going experience, it is equally suited as an outstanding location for conferences, panel discussions, special presentations and seminars.

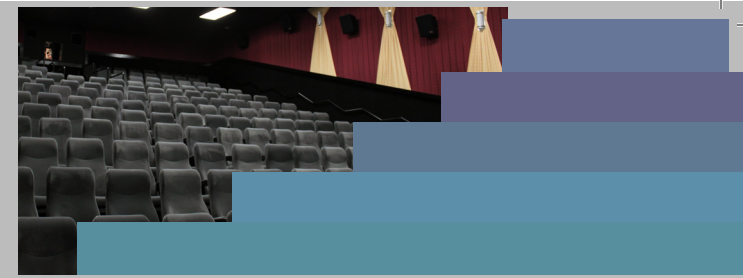

Auditorium seating can accommodate groups ranging from less than 100 to 250 attendees. Larger audiences can be served by providing on-screen video feeds from one room to another for up to 1,000 attendees.

Our on-site technical support team can provide a full range of audio/visual services from a simple lectern with a microphone or internet access to satellite-based large format video conferencing.

The **Fabian 8 Cinema's** spacious event room can accommodate up to 50 people for post meeting receptions, round table discussions or seminar style presentations.

The **Fabian 8 Cinema** can accommodate the special needs of public, for-profit, professional and non-profit institutional education. The Fabian 8 Cinema was designed to meet New Jersey state classroom lighting standards and other facility requirements. All public areas of the cinema are fully accessible in compliance with ADA regulations.

## The Education Experience

With the flip of a switch, auditoriums are classroom bright, ample outlets are available throughout each auditorium to provide power for laptop computers and drop-in writing tables can be provided for every seat.
